1: Holmberg--80 [4] (1941-42) 1950 Siriono
116, 582, 881, 883

"In addition to being subject to food taboos, adolescent girls, after they have undergone the ceremonies that take place in the forest but before they are eligible for marriage, must do considerable work for the first time in their lives. In many instances they have already been betrothed to potential husbands and therefore spend considerable time preparing themselves for marriage: carrying firewood, twining string, spinning thread, grinding maize, weaving baskets, making pots, and collecting food."
